website: scifablab.ictp.it

12 August 2015

Open Day - from **9am to 9pm** we're **OPEN TO ALL**

Free admittance - and an ice-cream for the first 100 visitors ;-)

We will tell you what was done in this first year of the FabLab
and what will do next: 3D Printing - Laser cutter - CNC - Arduino

... what would YOU do in our FabLab?

the SciFabLab is 1 year old!
