

Master's of Advanced Studies in Medical Physics

**Agenda for the thesis discussion,
workshop of the network of hospitals for the clinical training and graduation
ceremony**

Monday 12th of December 2016

Giambiagi Lecture Hall, Adriatico GH Building

8.30 – 12.30

Thesis presentation and exam on the clinical training

(Examination Board, External scientific advisors, clinical supervisor medical physicists)

Students: Andrea Marcela CASTILLO, AbdIrhman NAYL EDAM, Bahadur CHAND, Francisco HERNANDEZ, El-Hassane ID-AAZI, Poorparlen PAYANIANDI

14.00 – 18.00

(cont.)

Students: Ejugu Kebede ABDISSA, Hoson KHOULI, Sergii LUCHKOVSKIYI, David Antonio BRITO, Marcos Calixto CATU', Atifa FARAH, Omar HAMMADALI

Tuesday 13th of December 2016

Giambiagi Lecture Hall, Adriatico GH Building

8.30 – 10.30

Workshop of the Network of Hospitals for the clinical training meeting

With the participation of: Head of Medical Physics Dpts, Medical Physicists clinical supervisors, External scientific advisor (A. Meghziene, IAEA TBC), Council of the Master

- Lessons learned from the clinical training experience
- Update of the draft Portfolio for the clinical training
- Assignment to hospitals for the year 2017 of students of the 3rd cycle

11.00-12.00

Workshop of the Network of Hospitals for the clinical training meeting and students of 2nd and 3rd cycles

- Lessons learned from the clinical training experience: student's point of view
- Aims and methods for the clinical training

Budinich Room, Leonardo Main Building

13.30 – 15.00

Graduation Ceremony

Maurizio Fermeglia (Trieste University Rector), Fernando Quevedo (ICTP Director), Brendan Healy (Humana Health Div, IAEA), Marco Brambilla (EFOMP), Annalisa Trianni (AIFM), Mario De Denato (Trieste University Hospital), Renata Longo (Trieste University), Renato Padovani (ICTP), Luciano Bertocchi (ICTP)
